

Big American Feast in Hard

On Monday, 13th of July there was a big American Party at the Softball field in Hard. The American Sharx-players Holly, Kim, Kirsten, Moe and Stacey prepared a lot of delicious food and invited their Austrian teammates and some friends to the barbecue party.

There were sugar-cinnamon pretzels, American Brownies, homemade potato salad as well as pasta salad. Sausages were grilled at the fireplace and later on, the American girls showed their teammates how to make smores.

Furthermore it was the last evening for Kirsten and Stacey with the Sharx. The two girls with GB-passport went to England to practice with the Great Britain Nationalteam. In two weeks, they will be playing in the European Championship in Valencia. Good luck to Kirsten and Stacey and we are already looking forward to have you back in Hard!
